Regarding your Geoscience Firm Registration, #50001:

Your firm's application to the Texas Board of Professional Geoscientists as a Registered Geoscience Firm has been approved. Enclosed is your wallet registration card with the current expiration date. Also included is an additional registration card that may be kept with the wall registration certificate. Please note that the wall certificate may not be valid proof of registration unless the current registration card is accompanying it. You will receive updated cards upon each annual renewal.

Please note that it is your firm's responsibility to ensure that its geoscience registration is current with TBPG. Performing or offering to perform geoscience services for the public in Texas under an expired registration is subject to disciplinary action by the Board, if your firm is not exempt from registration.

Additionally, please note that you must exercise reasonable care to prevent potential violations of the Texas Geoscientist Practice Act and Board Rules as found on the TBPG website, and be aware of your obligations to protect public health, safety, and welfare in the state of Texas. For additional information, please visit our website at [www.tbpg.state.tx.us](http://www.tbpg.state.tx.us) or call 512-936-4400.

*Thank you!*
